

SCIENCE CLUB – November

WHAT: Mighty Minerals
WHEN: Tuesday, November 11 and Thursday, November 13
WHERE: Meet in Mrs. Kidd's room (132)
COST: \$5.00

Science students will learn the distinguishing properties used to identify minerals and then have a Scavenger Hunt to identify a set of minerals. Science students will also test their Mineral IQ by identifying the types of minerals found in household products.

Student's Name _____ Homeroom Teacher _____
